This project (including equations, theories, prototypes, and software) is the intellectual property of [Martin Doina / gatanegro]. Unauthorized use, reproduction, or distribution of any part of this work is strictly prohibited without explicit permission.

Permissions

1. Personal Use:

- Individuals may use this work for personal, non-commercial purposes, provided proper attribution is given.

2. Academic and Research Use:

- Researchers and academics may reference this work with proper citation in non-commercial research and publications.

3. Collaborations:

- Contributions to this work are welcome from qualified individuals, subject to prior approval.

4. Commercial Use:

- Commercial use of any part of this work (including equations, theories, prototypes, or software) is **strictly prohibited without a written agreement - contract** with the copyright holder.

Restrictions

1. No Redistribution:

- This work may not be shared, published, or distributed in any form without explicit permission.

2. No Derivatives:

- Modifications, adaptations, or derivative works are not allowed without prior written consent.

3. No Misrepresentation:

- You may not claim this work as your own or use it in a misleading manner.

4. No Unauthorized Replication:

- Replication of prototypes, algorithms, or software based on this work is prohibited without written permission.

Disclaimer

This work is provided "as-is" without any warranties or guarantees. The author(s) are not liable for any damages, losses, or claims arising from its use.
